

Dear Supporter,

By way of introduction, my name is Adrienne Harris-Hale and while I joined the Foundation Board in 2013, I have now assumed the role of Chair of the Lennox & Addington County General Hospital Foundation. I am looking forward to providing this service to our local Community.

As you are aware, on March 23, 2020, the Premier of Ontario, Doug Ford announced that all non-essential stores and services would close the next day. Our Community and our lives were about to change due to the COVID-19 outbreak. However, what did not change was the generosity and support of our Community. Even prior to March 23, our Community was contacting the Hospital and Foundation office to find out what they could do to assist our Hospital to keep our Patients and Community safe. The Foundation Board would like to thank you for your generosity and support.

We would like to tell you about an initiative that we are working on for the Hospital. The Foundation has pledged \$300,000 toward the purchase of new IV Pumps for the Hospital. This piece of medical equipment is very important as it is used in every area of the Hospital. Nursing Manager, Tracy Kent-Hillis outlines the following various IV Pump uses in the:

- Operating Room with every surgery;
- Intensive Care Unit for life saving high potent medications;
- Inpatient Unit for dehydration and antibiotic administration;
- Ambulatory Clinic for iron or blood infusions;
- Diagnostic Imaging department during advanced intervention and scanning;
- Chemotherapy Suite for chemotherapy administration; and
- Emergency Room for children and adults.

Our Community has always been generous and we thank you for "Keeping Health Care Close to Home."

Should you have questions regarding the Foundation or our activities, please contact the Foundation office at 613-354-3301 Ext. 400 or mdickerson@lacgh.napanee.on.ca, our door is always open.

Sincerely,

Adrienne Harris-Hale

Lennox & Addington County General Hospital Foundation

Our Purpose.....

The Hospital's Foundation was established in 1995 to encourage and co-ordinate a continuing high level of support for the Hospital. It is supported by donations from individuals, corporations and community organizations who share the belief that community participation makes a healthier and stronger community.

Our Mission Statement

To generate and administer the funds to sustain Lennox & Addington County General Hospital facilities, through partnership with our many generous constituents.

Programs To Help Support Your Hospital

Our Tribute Tree

This holiday season give the gift that keeps on giving.....

With a donation of \$10 or more, place the name of a loved one or friend on our memorial angel or snowflake ornaments. They will adorn our giant evergreen tree located in the main entrance of the hospital. With written notice, we can send cards to those to whom you are honouring with a donation in lieu of a gift. All proceeds go towards the purchase of life saving medical equipment at the hospital.

Memoriam – Individuals can make donations “in memory of” or “in honour of” significant individuals in their lives.

Planned Giving – IMPORTANT NEWS...

The L&A County General Hospital Foundation has a comprehensive planned gifts program. What is a planned gift? Just like the name implies, any gift that requires careful consideration and/or financial advice prior to making it. Such gifts can be made today, at a later time (e.g. bequest), or both. Gifts are of all types of property including cash, stocks, mutual funds, preferred shares, life insurance policies, and so on to the Foundation in support of our many activities.

Annual Giving – Our annual giving program includes contributions given to the Foundation throughout the year. Our program's purpose is designed to cultivate interest and support for the Hospital. Schedule a gift that can be automatically donated on your behalf.

Matching Gifts – This is an easy way to double your donation to the Hospital. Find out if your company participates in the program, then simply fill out your company's matching gift form.

Special Occasion Cards – Send season's greetings, birthday gifts or anniversary and wedding favours with Hospital cards. In addition to spreading cheer to your friends, colleagues and family, your donation will help the Foundation support its mission to provide compassionate and quality care.

Grateful patient – You can donate as a way of saying thank you to the people who were there when you needed them most. Your doctor, nurse, therapist or any other member of the health care team. A card will be sent to the healthcare professional or department that you wish to honour.
